ti85 is a teenage indie rock band hailing from Orange County, CA. The band comprises Fionna Tucker on bass and vocals, Savannah Tweedt on drums, and Dylan Warner on guitar. Since their formation in 2016, the trio has been steadily growing their fanbase by performing at renowned venues such as House of Blues, Chain Reaction in Anaheim, The Glass House, and the legendary Whisky a Go Go.

Their debut EP, "So Far So Good," dropped on January 1, 2023, featuring the hit singles "Heartbeat" and "Mouth," which have garnered over 13K streams on Spotify and are on an upward trend.

Their latest electrifying release, "Truck Song," is a high-energy anthem filled with infectious hooks that embody a sense of adventure and liberation. With compelling lyrics and dynamic musicality, "Truck Song" is a must-listen for fans of alternative rock seeking a fresh and exhilarating sound.

ti85's music is adored by audiences for its catchy and relatable tunes, as well as the band's infectious energy and joy on stage. Whether you're dancing to their music or simply enjoying their performance, ti85 never fails to create a vibrant atmosphere that leaves the crowd yearning for more!
